United Nations High Commissioner for Refugees
Haut Commissariat des Nations Unies pour les réfugiés

Vacancy Notice: 2019/HRR/014
Internal & External

The Representation of the United Nations High Commissioner for Refugees (UNHCR) in Greece invites qualified candidates to apply for the following vacancy:

Position Title and Grade: Senior Protection Assistant (Community-based), G5	Duty Station: Samos – Greece
Contract Type: Fixed-term appointment	Duration: 1 year with a possibility for extension
Position Number: 10028669	Deadline: 03 July 2019

Operational Context:

There are over 75,000 asylum-seekers and refugees currently hosted in Greece who arrived and remained since the 2015 – 2016 humanitarian emergency. In 2018, more than 30,000 people arrived by sea, and some 15,000 over land, the majority from Syria, Iraq, and Afghanistan. UNHCR supports the Government who coordinates the refugee and migrant response in the development of policy, capacity building and targeted interventions in the areas of reception, asylum procedures, and for finding solutions. The situation has improved in the mainland since 2015. There, people are hosted in approximately 26 Government-run sites (camp-like and buildings), as well as in rented housing provided by UNHCR through municipalities and NGOs for some 25,000 asylum-seekers and refugees. Additionally, UNHCR delivers a cash assistance programme, which has benefited nearly 115,000 (some 114,000 at the end of April 2019). The situation remains challenging on the islands where there is not enough capacity to accommodate the 16,000 people who have arrived recently or are awaiting the completion of their asylum procedures. In 2019, UNHCR will continue to implement the cash assistance and accommodation programmes, and will continue to support the Government in policy development, capacity building and targeted interventions in the areas of reception, asylum procedures and solutions.

Functional Statement:

The Senior Protection Assistant (Community-Based) is a member of the Protection team and will report to the Protection Associate of the Field Office Samos. Under the overall direction of the Protection Associate and in coordination with other UNHCR staff, government, NGO partners and other stakeholders, the Senior Protection Assistant (Community-Based) works directly with communities of concern to identify the risks they face and to leverage their capacities to protect themselves, their families and communities. The incumbent may have direct supervisory responsibility for part of the protection and/or support staff and supports the application of community-based protection standards, operational procedures and practices in community-based protection delivery at the field level. To fulfil this role the Senior Protection Assistant (Community-Based) is required to spend a substantial percentage of her/his time working outside the office, building and maintaining networks within communities of persons of concern. The development and maintenance of constructive relationships with persons of concern that measurably impact and enhance protection planning, programming and results forms the core of the work of the Senior Protection Assistant (Community-Based). The incumbent also supports the designing of a community-based protection strategy by ensuring that it is based on consultation with persons of concern.
